3 M	15 M
2 M	18 M
1 M	21 M

The MAXIBLUE[®] can be mounted in any orientation up to 8m away from the A.C unit.

The MAXIBLUE[®] PRO package is the perfect solution for specifiers and architects. Equipped with everything you need to fit your pump the MAXIBLUE[®] PRO it will save you time when integrating air condition units into your design.

The MAXIBLUE[®] PRO utilises our inherently reliable rotary diaphragm technology. Meaning it can pump air, liquid and sediment at the same time without burnouts or failures. A feature that you wouldnt see in common peristaltic pumps.

"The MAXIBLUE PRO was perfect for specification on our project. It's a complete package and that saved us a lot of time and effort"

GEOFF SMITH
