

Silent+ Mini White

CONDENSATE REMOVAL PUMP

Incredibly quiet, easy to install and maintain, the Silent+ Mini White has been designed to fit either side of the evaporator unit. A double insulated reservoir eliminates condensation and is simple to unclip for cleaning and maintenance.

45L/h max. flow

10m max. rec. head
(flow rate 23L/h)

As low as 16dB(A)
when operating

KEY FEATURES

- Ultra quiet operation
- Extra quick to fit
- Compact & discreet
- Removable reservoir

SUITABILITY

- Up to 16kW / 54,000Btu/h
- High wall mini split systems

✓ **Perfect for...** domestic environments where minimising audible noise is crucially important
